Why choose Sandy Puc' Seniors?

A small, light-colored airplane is parked on a runway. The background is a warm, orange-hued sky from a sunset or sunrise. The airplane's wing and tail are visible, and the overall scene is peaceful and scenic.

When deciding on a senior photographer, we recommend you do your homework.

After all, this is a once-in-a-lifetime moment that will represent some of the best years of your life.

Do Your Research

Ask friends whom you trust for their recommendations and read the photographer's reviews. The more homework you do, the better your session will be.

Find a Style You Love

You have a look that is all your own. Find a photographer with work that inspires you, posing and lighting that you find interesting, and final images that make you smile.

Hire a Professional

Many people love taking pictures, but you should look for someone who has the experience, proper training, and who creates images that look like art. Having a proper website is a must!

Take Time for a Consultation

A good photographer will want to talk to you about your vision, the look you want, location options, pricing, and what you want to see in the final images.

Our team would love to sit down and design your perfect session!

We hope you will check out our hundreds of Google and Yelp reviews, visit our extensive senior website, or even pick up the phone and give us a call.

We would LOVE to chat!

We know this is an important moment in your life and we would be honored to be your photographer.

Be You.

"Our family started with Sandy Puc' in 2001, when on a friend's recommendation, she photographed our first child. Here we are 20 years later, Sandy Puc' and her son Nikolai have created unique and very special senior photos that capture the same character as the toddlers Sandy photographed so many years ago. Sandy and Nikolai bring their artistic flare and exceptional customer service to every photo shoot. From baby and early childhood pictures to now senior photos, business head shots and extended family outdoor portraits we have been exceptionally pleased with their artistry, the quality of the finished photographs and the overall experience."

"We had an awesome experience this morning having my son's senior pictures taken by Nikolai. We were able to arrange a surprise for my son... an orange Lamborghini, courtesy of Mike Ward, to be used in the photos. Nikolai and his assistant Forrest were professional, enthusiastic, and excited to help us make these perfect memories. Cannot wait to see the proofs. It's going to be hard to choose!"

Patricia R., Noah's Mom | PCA

"My daughter's senior pictures are amazing! The photo shoot was such an uplifting and fun experience for her during these difficult times. Extraordinary studio in every way."

"Just had a session for my senior pictures and they were absolutely amazing! It was really fun to work with Nikolai, one of the photographers. He knew where my best angles were and made sure to get my confidence up. All in all, working with them was the best decision to make and I'm so excited to see how the pictures came out!!! Would recommend them to anyone looking for gorgeous pictures at a reasonable price."

"My twin boys just had their senior pictures done here and it was an awesome experience! Our photographer was Nikolai and he did a wonderful job of making my boys feel comfortable. The pictures were amazing and even though we did the Quick Take session he took several photos with a variety of backgrounds so we had so many to choose from. It's clear that he really cares about his clients and about delivering quality photos that they'll love. I will be recommending this place to everyone I know!"

Naomi F., Andrew & Shawn's Mom | AHS

"We couldn't be more pleased with our entire experience with Sandy Puc' Photography. Nikolai took my daughter's senior pictures and we had such a hard time narrowing it down. There were so many amazing pictures to choose from. He made the experience so fun and easy. We would HIGHLY recommend them."

A young man with brown hair, wearing a dark suit, a light blue shirt, a red tie, and dark sunglasses, is smiling and looking upwards. He is leaning his right hand on a black metal railing. The background features a vibrant mural with blue, red, and white colors, depicting a stylized figure and a hand. A staircase is visible to the right.
