A person is lying in a blue velvet chair, partially obscured by a field of sunflowers. The person's legs are visible, wearing brown boots. The scene is set outdoors with many sunflowers in bloom, creating a vibrant and natural background.

Why choose Sandy Puc' Seniors?

Choosing a senior photographer should be fun.

At Sandy Puc' Photography we are all about making your senior photo experience a memorable one. From the time you call, to booking, the session, and getting your final images, we take your vision seriously. We want to show you why choosing us for your senior photos is the best choice for capturing your memories.

We're...Experienced & Professional

We know many people love taking photos. But for this special time in your life, you should look for a senior photographer with experience and proper training. Our photographers have over 40 years of combined experience and have gone through rigorous training on how to pose you, properly light your images, edit photos, and make you shine. We have hundreds of Google and Yelp reviews, a full-bodied senior website, and a great social media presence to show you that we know what we're doing.

We're...Unique & Creative

You have a look that is all your own, and we want to highlight that. We know that everyone expresses themselves in their own way and we want to capture that. We stay ahead of the curve by finding unique locations and incorporating popular photo techniques and poses to ensure that your photos are trendy, creative, and all your own.

We're...Fun & Engaging

Senior photos shouldn't be a chore. We will blast your favorite tunes, show you how to hit the perfect pose, and make sure you're comfortable. No one wants "stiff" and boring images, which is why our photographers take the time to get to know you and your vision before our session. At the end of the day, your photos should reflect this special time in your life - and we want you to have a good time doing so.

We're...All About YOU!

Senior photos are all about you. Not us, YOU! We are all about making your vision come true, and are along for the ride. We will run with you through sunflowers, follow you as you fly into the sky. We will laugh with you, dance with you, and capture this once in a lifetime moment. We wouldn't be here without you. Thank you for considering us to capture your vision and spirit as you move forward in this beautiful journey called life.

We know this is an important moment in your life and we would be honored to be your photographer.

"We walked into Sandy Puc's studio 17 years ago and I'm so grateful that we did. Sandy and her team have been capturing Kennedy's milestones, celebrations, and memories ever since she was a month old. For Kennedy's senior pictures, we worked with the dream team of Nikolai and Forrest. They were both extremely professional, knowledgeable, super creative, attentive, and willing to do whatever it took to capture my daughter's spirit in her senior photos. At one point during our session, Nikolai dropped to the ground and proceeded to roll around a dirt field while snapping photos. That's when I knew these were going to be more than pictures, but rather a magical memory caught on film for my family."

"Sandy Puc' Photography & Video is amazing. The staff is wonderful to work with, the business is on top of every detail of a photo session, and the product is incomparable. Nikolai casts some kind of spell over his photoshoots. He has fun, plays music if you want, and brings out the best in his clients to create the most amazing photos. My son's senior pictures are great and we will continue to come here for future photos/video. Thank You so much for the wonderful experience."

Krista S., Aidan's Mom | TRHS

"Highly recommend Sandy Puc'! We just had our daughter's senior photos done and the work and professionalism was amazing! Nikolai did a phenomenal job asking questions about our expectations and what we were looking for during her photoshoot. He made sure he didn't miss anything that we wanted to capture and provided great recommendations. We will definitely hire them, for our family photos and for our younger kiddo's senior photos."

"This photographer and studio are a hidden gem! My daughter had her senior photo shoot on a Tuesday, and we were looking at 200 photos by Thursday. Amazing. We had a really hard time narrowing down our choices because the photos were so great! Nikolai was fantastic with my daughter and brought out the true glow that lives inside her. It showed in every photo. They are upfront with their pricing as well, and that was refreshing. If you are looking for a photographer for your senior, I highly recommend Sandy Puc' Photography."

"First time my son was photographed by Sandy he was 10 days old. We just did his senior pictures with Nikolai, Sandy's son, and they are amazing. We couldn't be more impressed with how professional, yet carefree and easy going Nikolai was to work with, and the images...WOW. Speechless. These are images that captured my son perfectly and we will forever treasure. Thankful that we get to have this experience 2 more times with our daughters when they are seniors. Thank you for an amazing session and amazing pictures to capture this important stage of our son's life."

Mandy S., Tommy's Mom | HHS

"Sandy Puc' Photography has been capturing fabulous photos of our family for 17 years. Recently, we had our 1st experience taking senior photos with Nikolai and like all the previous sessions, we had an amazing experience. He was so much fun to work with and he knows what it takes to get a great shot. We brought several outfit options and he helped us choose based on what clothing would photograph best in the outdoor location. Nikolai has an amazing artistic eye and he got some truly unique photos. Perhaps the thing I was most impressed by during the session, was his ability to direct my son to get the best natural-looking poses. Nikolai is quick to smile and share a laugh which made my teen more comfortable being in front of the camera. The most difficult part of our experience was choosing the photos. Nikolai got such beautiful shots of our son that it brought tears to my eyes. Luckily, he offered me a tissue and helped me whittle the choices down to my very favorites that would fit within our needs and our budget. We could not be more pleased with the whole process from start to finish. I would highly recommend [Sandy Puc' Photography] to anyone looking for stunning Senior Pictures."
