Why choose Sandy Puc' Seniors?

Choosing a senior photographer should be fun.

At Sandy Puc' Photography we are all about making your senior photo experience a memorable one. From the time you call, to booking, the session, and getting your final images, we take your vision seriously. We want to show you why choosing us for your senior photos is the best choice for capturing your memories.

We're...Experienced & Professional

We know many people love taking photos. But for this special time in your life, you should look for a senior photographer with experience and proper training. Our photographers have over 40 years of combined experience and have gone through rigorous training on how to pose you, properly light your images, edit photos, and make you shine. We have hundreds of Google and Yelp reviews, a full-bodied senior website, and a great social media presence to show you that we know what we're doing.

We're...Unique & Creative

You have a look that is all your own, and we want to highlight that. We know that everyone expresses themselves in their own way and we want to capture that. We stay ahead of the curve by finding unique locations and incorporating popular photo techniques and poses to ensure that your photos are trendy, creative, and all your own.

We're...Fun & Engaging

Senior photos shouldn't be a chore. We will blast your favorite tunes, show you how to hit the perfect pose, and make sure you're comfortable. No one wants "stiff" and boring images, which is why our photographers take the time to get to know you and your vision before our session. At the end of the day, your photos should reflect this special time in your life - and we want you to have a good time doing so.

We're...All About YOU!

Senior photos are all about you. Not us, YOU! We are all about making your vision come true, and are along for the ride. We will run with you through sunflowers, follow you as you fly into the sky. We will laugh with you, dance with you, and capture this once in a lifetime moment. We wouldn't be here without you. Thank you for considering us to capture your vision and spirit as you move forward in this beautiful journey called life.

We know this is an important moment in your life and we would be honored to be your photographer.

"The question isn't

who is going to let me;

it's who is going to stop me."

-Ayn Rand

"Nikolai was so great with my senior! His attention to detail (flat hair, popped collar, wrinkle in shirt) was so appreciated. He had great ideas and was very encouraging, making my son feel very relaxed and comfortable. We plan to use the studio for a family session here soon and are thrilled to work with them again!"

"They are the most AMAZING company we have ever worked with. Our photographer made it so simple and made my son so comfortable when he is very shy. He took the most incredible pictures. We are now going back for a family session. I would never go anywhere else for a professional picture. Truly thank you from the bottom of my heart that you made this experience magical!"

Jason N., Jay's Dad | CTHS

"Collaborating with Sandy Puc' and her team has been fantastic over 17 years, covering everything from newborn to senior pictures of our twin daughters. Nikolai and Erin beautifully captured memories, and we're thrilled with the senior photos of our daughters. The team's patience, effort, and sweet personalities, led by Sandy Puc, truly stand out. They are a smart and creative team, taking the time to understand what photos matter most to you. Once again, we absolutely love the senior pictures of our girls! Thank you Sandy Puc and team!"

"I had the pleasure of watching my granddaughter's Senior photo session.

Our photographer was amazing! He immediately connected with my granddaughter and she felt like he really understood her unique personality. We could see his respect for her vision for her photos and he also helped her to step out of her comfort zone.

"I love, love this studio. I got my senior photos done here 10 years ago and recently went back to have my brother take his senior photos, and somehow they have gotten even better! We worked with Nikolai and he did an absolutely phenomenal job with making my brother feel comfortable and his photos turned out amazing! Definitely go here for your photography needs!"

Tara A., Hasan's Sister | EHS

"The ease of online scheduling in a busy world of being a working mom to a high school senior is what made me pick this studio after scrolling through pages of photographers on yelp. My daughter had so much fun, and I was beyond impressed with the photographer's attention to the tiniest details to get the perfect shot with every click. They are so good with lighting that every picture came out so warm despite the cloudy day that it was. There are not enough stars to describe this studio."
